Hi Tom, Pamela and Bruce -

Its likely that our "Bay Delta Action Plan" will be posted to our web site on Monday. I'm also expecting that a press release will be issued. Once that happens, the document will be publically available at <http://www.epa.gov/sfbay-delta/actionplan.html>. So that you have it before then, I'm attaching a copy below (and hoping it doesn't change in the next couple days ;)

This concludes our review pursuant to the 2009 Interim Federal Action Plan looking at the effectiveness of our water quality programs in protecting aquatic resource beneficial uses in the Delta. This exercise reinforces for us the importance of the work you do and the great progress you've made. EPA will continue to support you as best we can. We also appreciate the responsiveness of your staff throughout this review. Thank you! - Karen
